

# Scorpion Safety Prep Sheet

---

Use this checklist to help us protect your home before and after scorpion treatment.

## Before Treatment

- ☒ Remove excess clutter indoors and outdoors
- ☒ Move wood, boxes, or toys away from walls
- ☒ Shake out shoes, laundry, and towels
- ☒ Store food in sealed containers
- ☒ Keep trash covered and secure
- ☒ Trim vegetation and clean up garden beds

## After Treatment

- ☒ Avoid mopping treated areas for 48 hours
- ☒ Watch for dead pests near walls and baseboards
- ☒ Use a UV flashlight to check for lingering scorpions
- ☒ Note areas with activity for follow-up inspection
