

Vail Home Pest Safety Guide

Why This Guide Matters:

In Vail, AZ, desert pests don’t just creep in—they threaten your kids, your pets, and your peace of mind. This guide helps you stay ahead.

Common Vail Pests & What They Can Do

Pest	Where They Hide	What’s at Risk
Scorpions	Garages, shoes, laundry piles	Stings can hospitalize kids or pets
Pack Rats	Attics, sheds, under cars	Chew wiring (fire hazard), bring fleas
Cockroaches	Under sinks, cabinets	Trigger asthma, contaminate food
Termites	Walls, baseboards	Silent structural damage
Spiders	Corners, closets, toys	Venomous bites to children or pets
Mosquitoes	Standing water, patios	Can carry West Nile virus
Rodents	Garages, behind appliances	Droppings, chewed food and toys
Ants	Baseboards, bathrooms	Bite children, contaminate food

Quick Safety Tips

- ✓ Shake out shoes and laundry before use
- ✓ Seal cracks and door gaps
- ✓ Store baby and pet food in sealed containers
- ✓ Remove standing water around yard
- ✓ Schedule seasonal pest inspections
